SEMI-FINAL SERIES RECAP

The UC Capitals have progressed to the WNBL Grand finals series after a three-point shooting barrage from Kia Nurse and Leilani Mitchell which finished off the semi-finals series 2-0 against the Perth Lynx.

In Game 1 of the semi-final series, the UC Capitals defeated the Lynx 95 to 76. Kia Nurse seemed unstoppable, putting up 31-points and 6 threes, while Leilani Mitchell followed with 24-points and 6 threes.

Despite the 19-point thrashing, the UC Capitals' celebration ended almost immediately, fixing their focus on finishing the series 2-0 in Perth to secure their grand final place and avoid what would have inevitably been an exhausting Game 3.

In Game 2 of the semi-final series, the Capitals ran away from the Lynx for a 91 – 75 victory, but this win did not come easy. Perth got off to a hot start, taking a strong lead against the Caps and when Perth start well, history has taught us that it usually means trouble for the opposition.

However, the UC Capitals shook it off and came back strong in the second to then dominate in the fourth quarter. Once again, Kia Nurse and Leilani Mitchell got away with several threes which let a comfortable gap grow between the UC Caps and the Lynx.
